

Direct Family Support

Call DCS (902) 424-6111

Ask for Direct Family Support for Adults (19+)

- Call above number
- Leave a message for an intake
- Community Services will send out a medical form to be filled out by your physician

Ask for Direct Family Support for Child (0-18)

- Call above number
- Leave a message for an intake
- Community Services will send a package of forms to be filled out (includes consent forms personal info form, basic info on parents and siblings, verification of income)

- DCS will contact you to set up an in-home assessment
- After assessment, there will be a wait period to determine eligibility* for Direct Family Support

- If DCS finds that you are not eligible, families are entitled to do an appeal if they so chose. They would have to contact their care coordinators to find out the process of appeal.
