AGREEMENT FOR SERVICES CONTRACT
Between

Parent/Guardian
And

The Service Provider

The Service Provider agrees to provide support services to _____ by assisting with family/parent relief, recreation and leisure time pursuits, community support, personal care, ensuring safety and security, and/or other related duties as required. These services will be provided for a specific and agreed upon time period beginning:

Start Date: _____ and ending _____. Services will be paid by _____ (family) in the amount of \$_____ per hour or a flat rate of \$_____ per visit. Should the service provider be required to use their vehicle during work hours, mileage will be paid at the agreed rate of _____per/km or a flat rate per pay period to fully reimburse for gas used.

*There will be a probation/training period of _____ days, and during these probationary/training days, the Service Provider will receive payment at the end of each day rather than at the end of a set pay period.

After the probationary/training period, there will be a payment schedule, consisting of regular payments every _____ days.

Medication (if applicable): It has been agreed that the following medications will be administered by the Service Provider to _____ (name of person supported) after extensive training provided by _____ (name of family member).

List of Medications:

Duties & Responsibilities:

Other Support Requirements:

It is agreed that any damage to special equipment incurred during the time the Service Provider is working will not be the responsibility of the Service Provider and proper use will be demonstrated.

The parties have agreed to the foregoing terms and conditions on the ____ day of the month of _____ in the year _____.
